### About the Book

This book attempts to inculcate the greater understanding of the universality of the Sufi message as given by Hazrat Inayat Khan. Highlighting the unity of religious ideals, it explains the connections between Sufism, Hinduism, Yoga, Zoroastrianism, and other spiritual and religious traditions. It also deals with the alchemy of happiness.

### About the Author

Hidayat Inayat-Khan, the third child of Sufi Master Hazrat Inayat Khan and Ora Ray Baker-Bernard, is a well-known music composer and conductor. He followed his family's musical tradition, of which his great-grandfather Maula Bakhsh and his father Inayat Khan were the highlights, and was violinist in different orchestras and string quartets. He is the creator of the Message Symphony, the Gandhi Symphony, and many other works like the Suite Symphonique. Also, he was a Professor of music at the Lycee Musical de Dieulefit, France and, later, in Holland.

At an age when people normally retire from work, Hidayat Inayat-Khan accepted the leadership of the Sufi Movement as its Representative General and Pir-o-Murshid, in complete dedication to its founder, his father, Hazrat Inayat Khan.
